

GENERAL AWARENESS TRAININGS PROGRAM

Establishment of Model Farms Project (EMFP) is a 4-year project funded by the Agriculture Department, Government of Punjab. The project is working on the development of four value chains (Mango, Citrus, Potato and vegetables) through technical assistance and financial support, with an aim to improve product quality, enhance productivity, develop market linkages and increase Punjab's share in Pakistan's exports. Under the capacity building component, EMFP is organizing the following trainings;

| Sr.# | Name of Training | Dates | Place of Training | Duration |
|------|--|---------------------|--|-----------|
| 1. | Good Hygiene Practices on Processing | 12-13 February 2021 | Agriculture House, 21-Davis Road, Lahore | (02 Days) |
| 2. | Good Hygiene Practices on Processing | 16-17 February 2021 | Potato Research Institute, Sahiwal. | (02 Days) |
| 3. | Sanitary & Phyto Sanitary (SPS) Measures & Protocols | 23-24 February 2021 | Potato Research Institute, Sahiwal. | (02 Days) |
